

Environmental/Conservation Non-Profits

(Star rating from the Charity Navigator. No stars = not rated)

Keep America Beautiful ★★★★★

Keep America Beautiful follows a practical approach that unites citizens, businesses and government to find solutions that advance our core issues of preventing litter, reducing waste, and beautifying communities.

<http://www.kab.org>

American Land Conservancy

The mission of the American Land Conservancy is to protect our natural heritage by conserving land for the benefit of people and wildlife.

<http://www.alcnet.org/>

Arbor Day Foundation ★★★★★

The Foundation has grown to become the largest nonprofit membership organization dedicated to planting trees.

<http://www.arborday.org>

Leave No Trace ★★

The Leave No Trace Center for Outdoor Ethics is an educational, nonprofit organization dedicated to the responsible enjoyment and active stewardship of the outdoors by all people, worldwide.

<http://www.lnt.org/>

The Nature Conservancy ★★★★★

The Nature Conservancy is a leading conservation organization working around the world to protect ecologically important lands and waters for nature and people.

<http://www.nature.org/>

World Wildlife Fund ★★★★★

We are committed to reversing the degradation of our planet's natural environment and to building a future in which human needs are met in harmony with nature.

<http://www.worldwildlife.org/>

Jane Goodall Institute ★★★

we seek to improve global understanding and treatment of great apes through research, public education and advocacy, contribute to the preservation of great apes and their habitats by combining conservation with education and promotion of sustainable livelihoods in local communities, and create a worldwide network of young people who have learned to care deeply for their human community, for all animals and for the environment, and who will take responsible action to care for them.

<http://www.janegoodall.org/>

National Wildlife Federation ★ ★ ★

The National Wildlife Federation is the nation's largest member-supported conservation organization. We are committed to reconnecting people with nature, and we inspire Americans to protect wildlife for our children's future.

<http://www.nwf.org/Wildlife.aspx>

Conservation International ★ ★ ★ ★

Every person on Earth deserves a healthy environment and the fundamental benefits that nature provides. But our planet is experiencing an unprecedented drawdown of these resources, and it is only by protecting nature and its gifts – a stable climate, fresh water, healthy oceans and reliable food – that we can ensure a better life for everyone, everywhere.

Christian Environmental Groups

Flourish magazine

Flourish inspires and equips churches to better love God by reviving human lives and the landscapes on which they depend. They recognize that faithful Christian churches need access to ministry resources on creation care that builds faith, encourages discipleship, and demonstrates practical concern.

<http://flourishonline.org>

Plant With Purpose ★ ★ ★ ★

Plant With Purpose is a Christian humanitarian organization dedicated to helping the rural poor. Our three-part, environmental, economic, and spiritual approach to sustainable development transforms the communities and people we work with in the following ways.

<http://www.plantwithpurpose.org>

Restoring Eden

Restoring Eden makes hearts bigger, hands dirtier, and voices stronger by encouraging Christians to learn to love, serve, and protect God's creation.

<http://restoringeden.org/>

Blessed Earth

Blessed Earth is an educational nonprofit that inspires and equips faith communities to become better stewards of the earth.

<http://www.blessedearth.org/>

Evangelical Environmental Network

The Evangelical Environmental Network (EEN) is a ministry non-profit that seeks to educate, inspire, and mobilize Christians in their effort to care for God's creation, to be faithful stewards of God's provision, and to advocate for actions and policies that honor God and protect the environment.

<http://creationcare.org>

Au Sable Institute of Environmental Studies

The mission of Au Sable Institute of Environmental Studies is the integration of knowledge of the creation with biblical principles for the purpose of bringing the Christian community and the general public to a better understanding of the Creator and the stewardship of God's creation.
